District Meeting a Success!

Councilman Aldama District Meeting a Success

First and foremost, I would like to thank everyone who came out to Challenger Middle School to attend my District Meeting. It means the world to me that so many citizens of Glendale, and

specifically those in the Ocotillo District, care so deeply about their community that they would attend a public meeting and voice their opinions, their positive comments, their concerns, and of course to hear updates from myself and some of the major city departments.

I had a great time speaking with you one-on-one and felt a profound connection to you. I believe that these meetings - which all Councilmembers host from time to time - bring this wide city together as we deal with those issues that impact you and your family on a day-to-day basis.

Thank you also to all City staff that attended, including Glendale Fire Chief Terry Garrison, Fire Community Outreach Coordinator Dr. Janet Boberg, Assistant Police Chief Richard St. John and CAT Team Members, Police Commander Colby Brandt, City Planning Director Jon Froke, Max Morales and David Beard from Streets, Jack Friedline from Public Works, Sandy Adams from Transportation, Roberta Bonaski from Parks and Rec, and Bill Sterling from Solid Waste.

Please stay tuned for updates on the resumption of my mobile office hours which begin again in May!

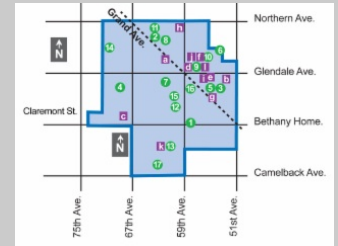

Keep your Children Safe around Water!

GLENDALE FIRE REMINDS RESIDENTS WATER SAFETY IS IMPORTANT YEAR-ROUND

In the wake of two drowning-related incidents in Glendale recently, one in which a five-year-old child died, the Glendale Fire Department wants to remind the community about the ABC's of water safety and provide some safety tips so everyone can have a safe and happy summer.

Safe Haven Program

Are you afraid or don't want to keep your baby?

Do you just want someone to give your baby to, keep it safe, and make sure your baby gets a good home?

You have options. Arizona has the **Safe Haven Law** that identifies places where mothers can safely and anonymously give up their babies without fear of prosecution. We have a Safe Haven crisis response team available to assist you with questions, options and resources, 24/7. Call 1-866-707-2229.

Remember, water hazards are dangerous year-round. Drowning's don't have an off season... Make sure the gate or door that leads to the pool is always locked. Interior fences provide an additional barrier and should have self-closing, self-latching gates.

Remember the A-B-C's for water safety:

- Always have Adult supervision around water.
- Barrier fencing around your pool is extremely important.
- Classes: Get involved - Adults should take a CPR class and teach their children how to swim.

Supervision is needed around ALL bodies of water: Never allow your children to play around canals; they are deep and have strong undercurrents.

Never leave your children while bathing them in the tub or sink. Always have everything you need on hand before you start their bath.

Children can also drown in buckets, the toilet, or even the dog's water dish.

The best drowning prevention tip is to always know where your children are, especially when around water.

Glendale Civic Center 'Best in Arizona'

Glendale Civic Center Ranked #1 in "Best of Arizona" Poll Again!

If your baby is unharmed, is under 72 hours old and you don't intend to reclaim your baby, you have options! Simply bring your baby to the Safe Haven locations:

Any Hospital
Any Ambulance
Any Designated Adoption Agency
On-duty Fire Stations
Any Designated Church

You must hand your baby to a person at above locations or may place baby in Safe Haven drawer at designated hospitals. Tell them this is a safe haven baby and you may leave. Your baby will be cared for and a good home will be found for the baby.

Located in the city's historic downtown, the city-owned venue has 40,000 sq.-ft. of flexible indoor and outdoor meeting space and accommodates corporate events, trade shows, weddings and private parties. Along with customized event planning services, Glendale Civic Center also offers high-tech audio, visual and lighting technologies, an FM system for hard-of-hearing guests and free hotspot connection to Google's indoor mapping system for mobile smart devices.

**CONTEST TO GIVE AWAY TICKETS TO FRONT PORCH PICKIN'S
EVENT AT UNIVERSITY
OF PHOENIX STADIUM
APRIL 8-9 IN
GLENDALE**

When you think of front porches, you think of Historic Catlin Court in downtown Glendale, right?

Many of those front porches in the area are early-century homes converted to shops that sell everything from eclectic fashionable finds to vintage and rustic home décor. Anyone who loves shopping in downtown Glendale - or anyone who has yet to discover it - will want to check out a show with everything vintage and handmade, coming to Glendale this spring. The best part is, Visit Glendale is inviting everyone to enter a social media contest to win tickets to the popular Front Porch Pickins event at the University of Phoenix Stadium on April 8-9!

One 'BFF four-pack' of tickets will be given away, via our Facebook page: www.facebook.com/VisitGlendale. Simply click on the 'giveaway' tab to enter. Entries must be received by 10 a.m. on April 6. Entrants must be at least 18 years old; city of Glendale employees are not eligible. Winner will be notified by email.

Four hundred vendors and craft artisans will fill the huge, air-conditioned stadium for a picker's dream; shoppers will find prime opportunities for outfitting one's home, uncovering rare and unique vintage items and finding the perfect gift for the person who has just about everything.

"From mid-century modern pieces to pop-culture relics and one-of-a-kind jewelry, art and furniture, it all can be found here, especially now that we have a venue big enough to hold all of our interested vendors," said Desiree' Byrne, one of the three founders of Front Porch Pickins. "The massive growth of the event over the last few installments is a strong indication of the fact that folks are starting to seek out rare and special shopping opportunities."

In fact, some of those special vendors will be businesses from right here in downtown Glendale. Both Cheryl Kappes, owner of The Country Maiden, and Valerie Burner, owner of Bears & More, will leave their Catlin Court front porches to participate in the Front Porch Pickins event, showcasing their special products to a huge new audience.

New Glendale Farmers Market Begins April 9 In Historic Downtown Glendale.

Twice-Monthly Market Promotes "Eat Fresh ~ Buy Local ~ Eat Seasonally"

A new event is 'sprouting' in downtown Glendale this April, with the goal to bring fresh, local produce and handmade goods to Glendale and the West Valley. The new Glendale Farmers Market will kick-off their season on Saturday, April 9, between 8 a.m. and noon. The market will be located in the

parking lot of the First United Methodist Church, 7102 N. 58th Dr.

The market will be held in the heart of historic Downtown Glendale, at the southwest corner of 58th Drive and Paltaire, every second and fourth Saturday for the months of April through July, with a brief break and will resume again for the months of September through November. Abundant free covered parking is available in the adjacent parking garage.

"We invite everyone across the Valley to come down on these Saturday mornings to the charming, tree lined area that is the perfect spot to purchase fresh, locally-farmed produce and browse vendors selling other goods that are also made here locally," said Linda Moran-Whitley, owner of Papa Ed's Ice Cream in the Catlin Court Historic District. "And not only that, visitors can have breakfast or lunch, and enjoy a stroll to the many shops and boutiques that have made downtown Glendale such a unique and popular destination."

The Glendale Farmers Market's mission is to create a community gathering place in historic Downtown Glendale, while supporting local farmers, small businesses and community based organizations, many of which will also be invited to participate in various ways. In addition, the purpose of the market is to provide a marketplace for healthy, nutritious and sustainable foods systems for residents throughout the Valley.

Additional highlights planned for the market include:

- Meeting local farmers, agricultural vendors, and home product vendors

- Food truck specialties and a variety of local eateries
- Handcrafted and one-of-a-kind items for sale

10 REASONS YOU SHOULD BE BIKING! GLENDALE FAMILY BIKE RIDE APRIL 10

Enjoy beautiful weather, leisurely ride on one of three routes through Glendale

One of the community's most-loved traditions is back! It's the free Glendale Family Bike Ride, rolling through town on Sunday, April 10.

Whether you're a seasoned cyclist, or someone who hasn't been on a bike since grade school, here's a reminder of the reasons you should be cycling.

The health benefits include:

1. Increased cardiovascular fitness (prevent heart disease!)
2. Increased muscle strength and flexibility
3. Improves joint mobility (important as we age)
4. Improves posture and coordination
5. Decreases stress levels (who doesn't need less stress?)
6. Strengthens bones (again, that aging thing)

7. Boosts energy levels

8. Burns calories - on average about 300/hour!

If those reasons don't convince you, what about:

9. Save money! Take your bike instead of your car to run errands once in a while and fill up your tank less.

10. Help the environment! Riding your bike to work/school one day a week, can save 13 lb. of pollution per month, or 143 lb. per year.

So take the opportunity to enjoy beautiful weather and great exercise, as well as the opportunity to explore Glendale. The ride starts from Sahuaro Ranch Park and offers three different routes with varying lengths. Helmets are required for this ride, and can be purchased at the event for \$10 (cash or check only.) On-site registration begins at 7 a.m. and the ride begins at 8 a.m. There is no registration fee. All riders must get on the road by 9 a.m. Complimentary snacks and water are provided at two rest stops along the route. In addition, the GUS Bus continuously circuits the route to assist any riders in need.

To get more information online and to register, visit our website.

Glendale is one of several cities participating in Valley Metro's Valley Bike Month, bringing attention to bicycling as a fun, healthy, inexpensive and green way to commute and to encourage new riders to give cycling a try.
